You've been a part of Ripon's unique past and present, now this is your opportunity to be a part of its future. Ripon Main Street, Inc. is finalizing plans to construct the Gathering Space at the Village Green this summer. This is quite possibly a once in a lifetime opportunity to establish this permanent fixture which lies in the heart of historic downtown Ripon.

We need your help to raise the funds to acquire amenities such as tables & umbrellas, park benches, flower planters, festive lighting, landscaping, and electrical upgrades. The focal point of the project will be the addition of a 20' x 60' pergola in the center of the Green. The Pergola will be surrounded by a large ADA accessible concrete gathering space.

The cost of the project is approximately \$200,000. Main Street has applied for grants to help offset expenses, and our goal is to raise \$75,000 through donations and sponsorships. Beautification amenities vary in price from \$100 to \$50,000, so no matter what your budget is, you can leave a lasting legacy. Leave your mark on our local history by sponsoring a beautification amenity of your choice; however, amenities are limited and confirmed on a first-come, first-served basis.

Ripon Main Street is a 501(c)3 non-profit organization, and contributions are tax-deductible. Donations can be sent directly to Ripon Main Street, Inc. or made online through GoFundMe. Thank you for considering this request.
